"A Note From Our Pastor"

Reverend Howard C. Fuller

I thank each of you for being a part of this directory. I trust that as you associate names and faces that there will be a growing interest in others whose pictures appear herein.

And increased acquaintance and knowledge of one another should inspire us to exemplify the lifestyle of the early Christians as recorded in Acts 2:42, "and they continued steadfastly in Apostles' doctrine and fellowship, and in breaking of bread, and in prayers." The word "fellowship" as used in this passage comes from the Greek word "Koinonea" which indicates "sharers" in a common interest, and "partners" in Christ Jesus and grounded in His Word that as partners and sharers with Christ that we may fulfill the Great Commission.

May I count on you to join me in this growing fellowship to reach this community where the fields are "already white unto harvest."

Yours in Christ,

A handwritten signature in black ink that reads "Howard C. Fuller". The script is cursive and fluid, with the first letters of each word being capitalized and prominent.
